WA/OR/AK Carpool Caravan: Indiana

It's really cold over here. Especially when we stopped to switch drivers in Illinois. Just shivering makes your back sore! Must have been high winds, it was only 35 degrees and we went through colder temperatures in Kansas. We crossed the Wabash river into the southern tail of Indiana headed to Louisville. Not too much more to go before we can get some rest!

3 also our current driver prefers a little air to help focus and keep the air fresh.

2 Dude, I feel the driver. I am the same way. Colder is better and keeps your head sharp.
